2 After some discussion on the merits of accepting the Endowment in this case and in consideration of the donor consenting to raise the gift- of Rs 5000 under the Endowment by a further sum of Rs. 2000/-. Thus fort accepted to receive from Narasimhasetty a sum of Rs 5000/- and under the Charitable Endowment rules to allow on it- interest at the rate of special rate of 4%.

3 In the act of making good the offer Narasimha Setty paid only Rs 1000/- on 28th April 1910 with the Treasury a further sum of Rs 500/-' on the 7th Nov 1911. Thus for over Thirteen years now the balance of Amount has not been paid into the fort and consequently the deed of agreement has also not been executed by the Donor.

The Muz Comr's letter explains the facts of the case. The point he covers is the payment of interest at 4% for Rs 1500 already paid by the donor, & on the respective dates of payment, to be added on to the Corpus of the Fund. The Comr seems to have a technical objection that because the balance has not yet been paid & the Endowment has not been formally accepted by Govt interest cannot be paid without orders of Govt. Since the amount has been there, & even if it had been invested in Savings Bank, interest at 3% would have accrued to the fund, it does

to be quite reasonable to pay a interest at 4% recommended by the Muz Court and add it on to the fund. Similarly the interest in further years may also be added on till the it approaches to Rs 3000 as wages for, the promise for the balance of Rs 2000 of the original donor being waived, in which case the Endowment ~~with~~ can only be completed when the total amounts to Rs 3000.

15. If the above Course is not feasible the other alternative Course would be to accept immediately Rs 1500 as Endowment since the party says he is unable to pay any more himself as according to Existing orders the minimum of Endowment that could be accepted is only Rs 1000, so that the amount will fetch interest at least ~~hereafter~~ hereafter. In this case, either the donor's Son, Samasthan should be bound to arrange for the performance of pujas as hitherto at his own expense, until the fund accumulates to Rs 3000, or the Scale of Expenditure will have to be curtailed to the small interest of Rs 60 per annum that the Endowment is likely to fetch

Sir,

With reference to your letter C.No.690 of 22-23 dated 20th -- November 1922, transferring for necessary action, the file relating to the endowment of Mr.P. Narasimha Setty of Arsikere, for the benefit of the Eswara temple newly built by him at the place, I have the honor to submit herewith in original for reference and kind return, correspondence ending with letter H.C.'B.151-20 dated 26th June 1924 from the Deputy Commissioner, Hassan District, on the subject and to state as follows:--

2. The offer of Mr. Narasimha Setty to endow the temple with a sum of Rs.5000/- was accepted by Government, in their order No.1254-56 M.F.397-08-3 dated 5th March 1909, and it was also directed that the -- institution be taken under Government management as a Muzrai Institution. Towards the endowment promised by him Mr. Narasimha Setty, paid Rs.1000/- on 28th April 1910, and another sum of Rs.500/- on 15th November 1911. Mr. Narasimha Setty died in about the year 1912-13 and when asked to -- complete the endowment Mr. Soora Setty son of the late Donor stated -- before the Amildar on 3rd September 1921 that the Donor's intention for depositing an amount of Rs.5000/- was, that a compound wall should be -- constructed at a cost of Rs.2000/- and the interest on the balance of - Rs.3000/- should be utilized for expenditure in connection with the -- daily puja service in the temple. The petitioner i.e., the Donor's son who has since completed the construction of the compound wall requested that the interest which had accrued on the deposit of Rs.1500/- till the end of June 1921 may be drawn and added on to the corpus

the balance of amount still required to make up a complete endowment of Rs.3000/- being paid by him. Time was accordingly allowed, When finally called upon to pay up the balance, Mr. Surasetti ----- pleaded inability on account of slackness in trade and tight money market and requested that time might be extended by 6 months or that he would pay when he get money.

3. While submitting the matter for obtaining orders of Government for a revision of the Government Order of 5th March 1909, or for the cancellation of the order and refund of the amount the --- Deputy Commissioner observed in his letter of 23rd May 1924, that it was also necessary to arrive at a decision as to whether interest should not be allowed on the deposit of Rs.1500/- for the period of over 12 years during which the said sum had been with Government -- and if so, at what rate.

The Comptroller to Government who was consulted in the matter stated that as neither the required agreement had been executed nor had the contract been completed by depositing the full amount and that as the rules inforce when the endowment was accepted had fixed Rs.3000/- as the minimum for charitable deposits, interest cannot be paid without the orders of Government.

4. Thereupon the Deputy Commissioner, was requested to ascertain from the Donor's son that if Government should be pleased to allow interest, he would consent to such accumulated amount being added on to the corpus of the Fund without claiming any portion of it for himself.

In his statement of 24th June 1924 before the Deputy Commissioner, Mr. Soraiah Setty, has not only agreed to the terms stipulated above but also consented to the interest of future years also being added on to the endowment Fund until it becomes one of Rs.3000/-, the expenses of daily and periodical services in the temple being defrayed by him till then.

5. The Deputy Commissioner, who visited the temple on 25th June 1924 while stating that the premises are very well kept and worship regularly conducted, recommends that the case deserves encouragement.

In view of the above and also of the fact that the sums of --- Rs.1000/- and 500/- deposited by the late Mr. Narasimha Setty have all along been in the custody of Government, I am of opinion that interest at 4% the rate sanctioned in the Government Order of 5th March 1909 may be allowed and the accumulated arrears added on to the corpus of the endowment.

I solicit the favour of early orders in the matter.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

The Amildar reports that Soorashetty when called upon to pay on 13-4-25 the balarce of amount pleaded inability to pay up even this balance of Rs.700/- now, and that he would pay half the amount viz., Rs.350/- within the next six months and the remaining half within one year. Also on a perusal of the previous correspondence, it will be seen that Mr.Soorashetty has repeatedly failed to deposit the balance amount as promised by him, though pressed several times and that he has been putting off payment from time to time. There is thus -- no likelihood ofreceiving the promised amount from him in the near future and as opined by the Amildar and the Sub Division Officer, the question of acceptance of this endowment and the taking over of the temple under Government management may be deferred for the present.
